

Department of Biological Sciences											
Course Schedule for 2021X - 2023S											
This is not the final schedule. Course offerings and instructors may change. Please check the biology website for the most current version of this schedule. February 12, 2021											
Due to the pandemic, there is less certainty about course schedules. We will do our best to keep schedules up to date.											
X21	Course Title	Time	F21	Course Title	Time	W22	Course Title	Time	S22	Course Title	Time
13	Gene Expression & Inheritance	TBD	2	Human Biology	TBD	7.02	First Year Writing Seminar	TBD	7.02	First Year Writing Seminar	TBD
22	Methods in Ecology	TBD	11.07	Major Events in Life and Human Genome	TBD	11.03	Emerging Infectious Diseases	TBD	11.08	Animal Minds	TBD
45	Molecular Biology	TBD	12	Cell Structure and Function	TBD	13	Gene Expression & Inheritance	TBD	12	Cell Structure and Function	TBD
50.01	Ecotoxicology and Environmental Health	TBD	12	Cell Structure and Function	TBD	13	Gene Expression & Inheritance	TBD	12	Cell Structure and Function	TBD
			14	Physiology	TBD	14	Physiology	TBD	16	Ecology	TBD
			16	Ecology	TBD	15	Genetic Variation and Evolution	TBD	32	Animal Communication	TBD
			19	Honors Cell Structure and Function	TBD	21	Population Ecology	TBD	37	Endocrinology	TBD
			24	Vertebrate Zoology	TBD	28	Macroevolution	TBD	43	Developmental Biology	TBD
			35	Cellular and Molecular Neuroscience	TBD	29	Biostatistics	TBD	46	Microbiology	TBD
			40	Biochemistry	TBD	40	Biochemistry	TBD	50.02	Current Topics in Ecology	TBD
			41	Cells into Organs	TBD	42	Biology of the Immune Response	TBD	63	RNA: The Real Secret of Life	TBD
			47	Genomics: Data to Analysis	TBD	45	Molecular Biology	TBD	66	Molecular Basis of Cancer	TBD
			48	Disease, The Environment and Human History	TBD	51	Advanced Population Ecology	TBD	69	Cell Signaling	TBD
			72	Foundations of Epidemiology I	TBD	55	Ecological Research in the Tropics I	TBD	71	Current Topics in Cell Biology	TBD
			74.02	Advanced Neurobiology-Diseases of the Nervous System	TBD	56	Ecological Research in the Tropics II	TBD	99	Senior Seminar in Biology	ARR
			76	Advanced Genetics	TBD	57	Ecological Research on Coral Reefs	TBD			
						59	Biostatistics II	TBD			
						60.02	Evolution of Sex	TBD			
						73	Foundations of Epidemiology II	TBD			
						74.01	Advanced Neurobiology-Development, Placticity and Dysfunction of the Synapse	TBD			
						78	Molecular Mysteries Human Biology	TBD			
X22	Course Title	Time	F22	Course Title	Time	W23	Course Title	Time	S23	Course Title	Time
13	Gene Expression & Inheritance	TBD	2	Human Biology	TBD	7.02	First Year Writing Seminar	TBD	7.02	First Year Writing Seminar	TBD
22	Methods in Ecology	TBD	11.07	Major Events in Life and Human Genome	TBD	11.03	Emerging Infectious Diseases	TBD	11.08	Animal Minds	TBD
45	Molecular Biology	TBD	12	Cell Structure and Function	TBD	13	Gene Expression & Inheritance	TBD	12	Cell Structure and Function	TBD
			12	Cell Structure and Function	TBD	13	Gene Expression & Inheritance	TBD	12	Cell Structure and Function	TBD
			14	Physiology	TBD	14	Physiology	TBD	16	Ecology	TBD
			16	Ecology	TBD	15	Genetic Variation and Evolution	TBD	26	Global Change Biology	TBD
			19	Honors Cell Structure and Function	TBD	29	Biostatistics	TBD	37	Endocrinology	TBD
			23	Social Evolution: Cooperation and Construction Among Animal Architects	TBD	40	Biochemistry	TBD	43	Developmental Biology	TBD
			25	Introductory Marine Biology and Ecology	TBD	42	Biology of the Immune Response	TBD	46	Microbiology	TBD
			27	Animal Behavior	TBD	45	Molecular Biology	TBD	50.02	Current Topics in Ecology	TBD
			35	Cellular and Molecular Neuroscience	TBD	55	Ecological Research in the Tropics I	TBD	58	Advanced Community Ecology	TBD
			40	Biochemistry	TBD	56	Ecological Research in the Tropics II	TBD	63	RNA: The Real Secret of Life	TBD
			41	Cells into Organs	TBD	57	Ecological Research on Coral Reefs	TBD	66	Molecular Basis of Cancer	TBD
			47	Genomics: Data to Analysis	TBD	59	Biostatistics II	TBD	69	Cell Signaling	TBD
			48	Disease, The Environment and Human History	TBD	60.01	Evolutionary Ecology		71	Current Topics in Cell Biology	TBD
			70	Biologic Lessons of the Eye	TBD	73	Foundations of Epidemiology II	TBD	99	Senior Seminar in Biology	TBD
			72	Foundations of Epidemiology I	TBD	74.01	Advanced Neurobiology-Development, Placticity and Dysfunction of the Synapse	TBD			
			74.02	Advanced Neurobiology-Diseases of the Nervous System	TBD	78	Molecular Mysteries Human Biology	TBD			
			76	Advanced Genetics	TBD
