Is this an "on" term or an "off" term? _____

Funds requested. You can request up to \$3000 for an "on" term and \$6000 for an "off" term:

The title of my research project is:

Prof. _____ will supervise the research project.

Signature: _____

PROJECT DESCRIPTION

Please provide a written description of your planned research project [up to two pages (single-spaced), not including references and budget] and append it to this application. References must come from the primary literature. This description should clearly state the biological questions to be addressed, the hypotheses to be tested, and the methodologies to be used. Please estimate the time required for project completion. Also, provide a budget.

Application is due one month prior to the start of the term you intend to use the fellowship.
